

2nd International Workshop on Air Pollutions from Ships

-Particularly Regional Control Scheme on NOx and SOx -

Date/ **January 25, 2008**

Venue/ **National Maritime Research Institute, Japan**

Purpose

Purpose of the workshop is to hold good opportunity for shipping companies, shipbuilders, engine manufactures and other related industries to understand and exchange information about future tendencies on world NOx and SOx regulations and relationships with technologies. Focus is how to set up restricted sea areas where future NOx and SOx regulations would be required.

Registration

Registration fee is free.

Registrations are urged to register before January 18, 2008. Please complete the registration form (See attachment 1) and send the form to the secretariat by e-mail (airpolws2@nmri.go.jp) or by Fax (+81(0)422-41-3247).

If you need to contact, Please send e-mail to the secretariat.

Access to the conference venue

Frequent public bus services, as well as taxis are available from both JR. Kichijoji Station and JR. Mitaka Station.
